No. 2244.—

In exercise of the powers conferred by clause (*c*) of section 74 and clause (*a*) of sub-section (2) of section 303 of the Madras District Municipalities Act, 1920 (Madras Act V of 1920), the Governor acting with Ministers is hereby pleased to make the following rules for the working of the provident fund maintained by municipal councils.

RULES FOR THE WORKING OF THE PROVIDENT FUND MAINTAINED BY MUNICIPAL COUNCILS.

Short title and definitions.

1. (1) These rules may be called the Municipal Councils Provident Fund Rules.

(2) They shall apply to all provident funds established and maintained by municipal councils.

(3) They shall come into force on the first day of April 1932.

NOTE.—In exercise of the powers conferred by section 6 of the Provident Funds Act, 1897 (IX of 1897), the Governor-General in Council has been pleased to extend the provisions of the said Act to all provident funds established by local bodies and consequently, the Provident Funds Act, 1925 (XIX of 1925), applies to all such funds.

2. In these rules unless there is anything repugnant in the subject or context—

(i) 'Account officer' means the Examiner of Local Fund Accounts;

(ii) 'Emoluments' means pay, leave salary, or subsistence grant, as defined in the Fundamental Rules of Government or in the regulations, if any, framed by the municipal council whichever may be applicable;

(iii) 'Family' means the wife or wives and children of a subscriber and the widow or widows and children of a deceased son of the subscriber; an adopted child shall be considered to be a child, when the Account officer is satisfied that, under the personal law of the subscriber, adoption is legally recognized as conferring the status of a natural child, but in this case only.

(iv) 'Fund' means the provident fund established and maintained by a municipal council;

(v) 'Head of the office' means the chairman of the municipal council; and

(vi) 'Leave' means any variety of leave recognized by the Fundamental Rules, the Civil Service Regulations or the regulations framed under section 74 of the Madras District Municipalities Act, 1920, whichever may be applicable to the subscriber.

Constitution and management of the fund.

3. (1) Every municipal council shall establish and maintain a provident fund for the benefit of its officers and servants.

(2) The fund shall be administered by the municipal council and shall be maintained in India in rupees.

4. Subscriptions to the fund shall be compulsory on such of the permanent officers and servants of the municipal council as are in superior service as defined in the Civil Service Regulations with the following exceptions:—

(*a*) employees for whom the municipal council is paying pensionary contribution, and

(*b*) employees entitled to pension from Government or from the municipal council under the orders of Government.

But no such officer or servant shall be qualified to contribute to the provident fund before he attains the age of twenty.

Explanation.—(1) Subscribers to the provident fund who are transferred temporarily to non-qualifying service may continue to subscribe during the temporary absence, provided they retain a lien on their permanent posts.

(2) Conservancy overseers and maistris, as well as Public Works maistris, shall be considered as belonging purely to the class of temporary servants and as not entitled to subscribe to the provident fund.

(3) Servants of the municipal council may subscribe to the provident fund while on probation if they wish and if the municipal council concerned is willing to permit them to do so; similarly servants holding officiating or *sub pro tem.* appointments may subscribe to the provident fund.

(4) The transfer of permanent servants to temporary duties will not render their service non-qualifying for the purpose of the rule.

(5) Except in the case of persons appointed on probation for a definite period, arrear subscription shall not, except with the sanction of the Local Government, be collected for a period exceeding one year.

Nomination.

5. (1) The chairman shall, as soon as may be, require every subscriber to make a nomination conferring the right to receive the amount that may stand to his credit in the fund in the event of his death before quitting the service.

(2) A subscriber who at the time of joining the fund, has a family shall send to the chairman a nomination in the form set forth in Form 1 appended to these rules in favour of one or more members of his family.

(3) A subscriber who has no family may similarly nominate a person or persons in Form 2 appended to these rules:

Provided that a nomination made under this sub-rule shall be deemed to have been duly made in accordance with these rules only for so long as the subscriber has no family.

(4) If a subscriber at any time acquires a family he shall send to the chairman a nomination as provided in sub-rule (2) and, if he has under sub-rule (3) nominated any person other than a member of his family, he shall formally cancel the previous nomination.

(5) A subscriber may in his nomination distribute the amount that may stand to his credit in the fund amongst his nominees at his own discretion.

(6) A nomination may be cancelled by a subscriber and replaced by any nomination which is permitted to be made under this rule.

(7) When a nomination purports to leave any amount otherwise than to a member or members of the subscriber's family, the chairman shall call upon the subscriber to state whether he has a family and if it is found that he has one, the nomination shall not be accepted. A nomination becomes operative only on its being accepted by the chairman.

Explanation.—The provisions of the above rule shall apply *mutatis mutandis* to women subscribers also.

Subscribers' accounts and realization of subscriptions.

6. The provident fund shall be formed out of and maintained by (1) subscriptions from subscribers, (2) contributions from the municipal council, and (3) interest derived from investments or paid from the general funds of the municipal council.

7. (1) Every subscriber shall subscribe monthly to the fund when on duty or may, at his option, subscribe during leave.

(2) The amount of subscription shall be fixed by the subscriber himself subject to the following conditions:—

(*a*) it shall be expressed in whole rupees.

(*b*) (i) it may be any sum so expressed not less than 6¼ per cent of emoluments (i.e., one anna in the rupee) and not more than 15⅝ per cent (i.e., two and a half annas in the rupee).

(ii) Emoluments for the purposes of this rule shall be calculated at the rate payable in respect of the 31st March of the preceding year:

Provided that in the case of a new subscriber, the rate of pay for the first month shall until the commencement of the next year be taken as emoluments for the purpose of this rule:

Provided also that, if the subscriber is on leave or under suspension on the 31st March of the preceding year his emoluments shall be calculated at the rate payable in respect of the first day after his return to duty:

Provided also that if the subscriber is on temporary duty or on temporary non-qualifying service on the 31st March of the preceding year, his emoluments shall be calculated at the rate payable in respect of the day preceding the day of his entering that temporary duty or temporary non-qualifying service:

Provided also that where the subscription is at the rate of 6¼ per cent of the emoluments of the subscriber, fractions of a rupee shall be rounded to the next higher rupee:

Provided also that in the case of schoolmasters and other officers and servants undergoing training, emoluments for purposes of this rule shall be those drawn by them immediately before their admission into the training institution.

(3) The subscriber shall intimate the fixation of the amount of his monthly subscription in each year in the following manner:—

(*a*) if he is on duty on the 31st March of the preceding year, by the deduction which he makes in this behalf from his pay bill for that month;

(*b*) if he is on leave or under suspension on the 31st March of the preceding year by the deduction which he makes in this behalf from his first pay bill after his return to duty.

(4) If the amount of subscription payable contains a fraction of a rupee, it shall be rounded to the nearest whole rupee (eight annas counting as the next higher rupee)

(5) The amount of subscription so fixed shall remain unchanged throughout the year.

8. Subscriptions due shall be deducted monthly from the establishment pay bills and the deductions shall be adjusted to the credit of the provident fund accounts. Officers other than chairman who issue cheques for disbursement of pay to subscribers shall submit to the chairman monthly a statement showing the name of each subscriber, his provident fund account number, the salary disbursed to him and the subscription adjusted on his account to the provident fund. In the case of schoolmasters and others drawing no allowances while under training, the subscriptions due shall be remitted to the treasury by the officers themselves, who shall forward the chalans to the chairman.

9. The amount so credited shall, after the close of each month, be posted in a provident fund ledger to be kept in the municipal office, from the establishment bills or from the statements or chalans referred to in rule 8.

10. (1) At the request in writing of any subscriber, and with the consent of the municipal council any portion or whole of his subscriptions with interest thereon may be invested by the municipal council in a policy of life assurance in such office and for such amount and on such terms as may be mutually agreed upon in writing between such subscriber and the municipal council.

(2) Policies so arranged shall be effected in favour of the chairman of the municipal council or of such person as the municipal council may from time to time appoint for the purpose, and shall be held, and unless assigned over as provided for in clause (*c*), shall be realized, by the municipal council and the net proceeds on realization shall be credited to the account of such subscriber:

Provided always—

(*a*) that every such policy shall, so long as the subscriber is actually in employment under the municipal council belong to the municipal council and no interest thereto shall, during such period, vest in a subscriber on whose life it has been effected, or in his nominees; and neither he nor they shall have any right to interfere therewith;

(*b*) that the municipal council shall not be responsible for any loss or damage that may arise or result from the effecting of any policy under this rule; and

(c) on the retirement from service of a subscriber the policy effected on his life shall be assigned over to him.

11. At the beginning of each month the amount deducted from the pay bills as provident fund deductions shall be remitted to the post office savings bank or any other bank approved by the Local Government not later than the 4th of the same month to the credit of a conjoint account, which shall be opened for the purpose at the chief post office in the locality. Where any difficulty is experienced in doing this, the municipal council shall remit to the bank before that date, the probable total collections in respect of provident fund and the necessary adjustments shall be made during the month on receipt of credits for the actual collections. The contribution paid by the municipal council and other sums relating to the provident fund shall similarly be credited to the savings bank account.

12. (1) Out of the deposits in the postal savings bank account, any sum not required for the current expenses during the year may, as funds accumulate during the year, or at the beginning of the following year, be invested

(a) In Government securities in the manner provided for investments in the Postal Savings Bank rules, an investment certificate being obtained from the Accountant-General, Posts and Telegraphs, in support of such investments;

(b) in shares, debenture stock and debentures of Indian Railway companies the interest whereon shall have been guaranteed by the Secretary of State,

(2) The investment of the provident fund balances as a loan to the municipal council shall not be permissible nor shall the balance be drawn upon for general purposes even temporarily.

Explanation.—Investments made prior to the introduction of these rules through the Accountant-General, Madras, shall continue to remain with him until they are required by the municipal council.

13. The account opened in the name of each subscriber shall show

(1) the amount of his subscriptions with interest thereon;

(2) his share of the contribution given by the municipal council with interest thereon; and

(3) the amount of all advances given.

Contribution by local bodies

14. (1) The contribution from the municipal council shall be 6¼ per cent of the emoluments on which a subscriber has contributed under rule 7 and shall be credited to his account annually, before the 31st March, or whenever an account is closed under rule 20. No contribution shall however be payable by the municipal council in respect of the emoluments drawn by him during the period, if any, of his temporary transfers to non-qualifying service.

(2) The amount of contribution payable shall be rounded to the nearest rupee in the manner provided in sub-rule (4) of rule 7.

Interest.

15. (1) The municipal council shall pay to the credit of the account of a subscriber interest at such rate as it may, from time to time, fix with the approval of the Examiner of Local Fund Accounts, on the amount at his credit in the fund.

The rate has been fixed by Government at 4 per cent in the first instance and shall hold good until it is altered by the municipal council under this sub-rule.

(2) Interest shall be credited with effect from 31st March of each year in the following manner:—

(i) on the amount at the credit of a subscriber on the 31st March of the preceding year, less any sums withdrawn during the current year—interest for 12 months;

(ii) on sums withdrawn during the current year—interest from the 1st April of the current year up to the last date of the month preceding the month of withdrawal;

(iii) on all sums credited to the subscriber's account after the 31st March of the preceding year—interest from the date of deposit up to the 31st March of the current year; and

(iv) if the total amount of interest contains a fraction of a rupee, it shall be rounded to the nearest whole rupee (eight annas counting as the next higher rupee).

(3) For the purposes of this rule the date of deposit shall, in the case of recoveries from emoluments, be deemed to be the first day of the month in which they are recovered; and in the case of amounts forwarded by the subscriber, shall be deemed to be the first day of the month of receipt, if they are received by the chairman before the fifth day of the month, or if they are received on or after the fifth day of that month, the first day of the next succeeding month.

(4) In addition to any amount to be paid under rule 25 interest thereon up to the end of the month preceding that in which payment is made, or up to the end of the sixth month after the month in which such amount became payable whichever of these periods be less, shall be payable to the person to whom such amount is to be paid.

(5) Interest shall not be credited to the account of a Muhammadan subscriber if he informs the chairman that he does not wish to receive it; but if he subsequently asks for interest, it shall be credited with effect from the 1st April of the year in which he asks for it.

16. The amount standing to the credit of a subscriber in his provident fund account shall not in any way be capable of being assigned or charged and shall not be liable to attachment under any decree or order of any civil, revenue or criminal court in respect of any debt or liability incurred by the subscriber and neither the Official Assignee nor any receiver appointed under the Provincial Insolvency Act, 1920, shall be entitled to, or have any claim on, such amount.

Advances.

17. (1) The chairman may grant temporary advances to a subscriber from the amount standing to his credit in his provident fund account subject to the following conditions.—

(*a*) the subscriber shall satisfy the chairman as to the necessity for the advance;

(*b*) the advance shall not exceed three months' pay, and shall in no case exceed the amount of subscription and interest thereon standing to the credit of the subscriber in the fund at the time when the advance is granted.

Explanation.—In all these cases advances are limited to occasions when the pecuniary circumstances of a subscriber are such that the indulgence is absolutely necessary. The following may be recognized as legitimate occasions in which advances may be permitted:—

(*a*) to pay expenses incurred in connexion with the illness of the subscriber or a member of his family;

(*b*) to pay for the passage of any member of the subscriber's family coming from beyond the sea to join him or requiring to make a journey beyond the sea for some urgent cause;

(*c*) to pay expenses in connexion with the marriages, funerals or ceremonies which by the religion of the subscriber it is incumbent upon him to perform, and in connexion with which it is obligatory that expenditure should be incurred.

(2) In every case in which the chairman refuses to grant a temporary advance, he shall record in writing his reasons for such refusal.

18. An advance shall not, except with the special sanction of the municipal council, be granted until at least twelve months have elapsed after the final repayment of all previous advances together with interest thereon.

The total amount of the advance or advances outstanding at any time against a subscriber shall in no case exceed his emoluments for three months.

19 (1) An advance shall be recovered from the subscriber in such number of equal monthly instalments as the sanctioning authority may direct; but such number shall not be less than twelve, unless the subscriber so elects, or in any case more than twenty-four. A subscriber may, at his option, make repayment in a smaller number of instalments than that specified. Each instalment shall be a number of whole rupees, the amount of the advance being raised or reduced, if necessary, to admit of a fixation of such instalments.

(2) Recovery shall be made in the manner provided in rule 8 for the realization of subscriptions and shall commence on the first occasion after the advance is made on which the subscriber draws pay for a full month. Recovery shall not be made while the subscriber is on leave or in receipt of subsistence grant, and may be postponed by the sanctioning authority during the recovery of an advance of pay granted to the subscriber.

(3) If more than one advance has been made to a subscriber each advance shall be treated separately for the purpose of recovery.

(4) (*a*) After the principal of the advance has been fully repaid, interest shall be paid thereon at the rate of one-fifth per cent of the principal for each month or broken portion of a month during the period between the drawal and complete repayment of the principal.

(*b*) Interest shall ordinarily be recovered in one instalment in the month after complete repayment of the principal; but, if the period referred to in clause (a) exceeds 20 months, interest may, if the subscriber so desires, be recovered in two equal monthly instalments. The method of recovery shall be that provided in sub-rule (2). Payments shall be rounded to the nearest whole rupee (eight annas counting as the next higher rupee).

(5) Recoveries made under this rule shall be credited, as they are made, to the account of the subscriber in the fund.

Closing of accounts and payments.

20 The account of each subscriber shall be closed—

(1) When he is dismissed from the service of the municipal council or removed or called upon to resign on account of misconduct or inefficiency, or resigns without notice or permission, or in the case of a servant appointed on probation, if he is not confirmed at the end of the probation period; or

(2) when he retires from service or when his services are dispensed with owing to a reduction of establishment (or some cause other than his own misconduct) or when he becomes incapable of contributing to the fund by reason of his having been reduced to inferior service as defined in the Civil Service Regulations otherwise than for misconduct, or by reason of his permanent transfer from qualifying to non-qualifying service, or when he is permitted to resign under any circumstances other than those mentioned in clause (1) of this rule; or

(3) when he dies.

Explanation.—Subscribers who are reduced to inferior service as defined in the Civil Service Regulations, owing to their misconduct, shall be regarded for the purposes of this rule as having been dismissed from the posts carrying higher pay, and shall accordingly be dealt with under clause (1) of this rule.

21. When with the consent of a municipal council a subscriber takes service under another local body, the amount to his credit in the provident fund of the former body shall be transferred to the provident fund of the latter. In the case of a teacher (*a*) who with the consent of the municipal council which employs

him takes service in a school under another local body or in a school to which the Government provident fund scheme for teachers in non-pensionable service applies, or (*b*) who quits service in a school to which the Government provident fund scheme applies and takes up service under a municipal council the amount at his credit shall be transferred to the fund applicable to the institution which he newly joins. The Chairman, the District Educational Officer and the Inspectress (in the case of girls' schools) concerned shall make arrangements for the transfer of funds and accounts.

In cases where the transfer of service from one municipal council to another local body is temporary the amount to the subscriber's credit need not be so transferred but the local body in which the service is temporary shall pay to the municipal council a contribution equivalent to what the municipal council would pay if the subscriber had continued in its service.

22. When a subscriber's account is closed either on the dismissal of the subscriber on any ground or on his resignation within five years of the commencement of his employment, the municipal council may withhold all or any part of the amount standing to his credit in the contribution account and pay him only the balance together with the amount deposited by him as subscription and the interest thereon:

Provided that all payments under this rule shall be subject to such recoveries as may be ordered by the chairman under rule 23.

Explanation.—(1) When the account of a subscriber is closed the amount of his subscription with contribution and interest due up to the date on which his account is closed shall be paid to him by the chairman after careful scrutiny subject to audit in the usual course along with the monthly accounts.

(2) Subscriptions and contributions payable under this rule which are not claimed within six months shall be transferred to the fund 'deposits' and dealt with under the rules applicable to 'deposits' generally. In the case of a subscriber's death the six months shall be calculated from the date on which a registered notice is sent in Form 4 appended to these rules to the person or persons specified in the nomination referred to in rule 5.

(3) If the recoveries to be made from a subscriber under rule 23 have not been ascertained on the date of closure of his account under rule 20 and delay in payment is caused thereby, interest shall be allowed to the subscriber until he is given intimation that the recoveries to be made from him have been ascertained and that he may receive payment of the amount due to him. No interest shall be payable after the date on which intimation is sent to the subscriber.

23. Subject to the condition that no deductions shall be made in excess of the total amount of any contributions made by the municipal council and credited to the account of the subscriber and of any interest or increment which has accrued on such contributions the chairman shall, when the sum standing to the credit of any subscriber in the fund has become payable, deduct and pay to the municipal council the amount due under a liability incurred by the subscriber to the municipal council.

24. Subject to any deduction under rule 23, on the death of a subscriber before quitting the service

(1) when the subscriber leaves a family—

(*a*) if a nomination made by a subscriber in accordance with the provisions of rule 5 in favour of a member or members of his family subsists, the amount standing to his credit in the fund or the part thereof to which the nomination relates, shall become payable to his nominee or nominees in the proportion specified in the nomination;

(*b*) if no such nomination in favour of a member or members of the family of the subscriber subsists or if such nomination relates only to a part of the amount standing to his credit in the fund, the whole amount or the part thereof to which the nomination does not relate, as the case may be, shall notwithstanding any nomination purporting to be in favour of any person or persons other than a member or members of his family, become payable to the members of his family in equal shares;

Provided that no share shall be payable to—

(1) sons who have attained legal majority;

(2) sons of a deceased son who have attained legal majority;

(3) married daughters whose husbands are alive;

(4) married daughters of a deceased son whose husbands are alive;

if there is any member of the family other than those specified in clauses (1) to (4):

Provided also that the widow or widows and the child or children of a deceased son shall receive between them in equal parts only the share which that son would have received if he had survived the subscriber.

Explanation.—Any sum payable under these rules to a member of the family of a subscriber vests in such member under sub-section (2) of section 3 of the Provident Funds Act, 1925.

(ii) When the subscriber leaves no family, if a nomination made by him in accordance with the provisions of rule 5 in favour of any person or persons subsists, the amount standing to his credit in the fund or the part thereof to which the nomination relates, shall become payable to his nominee or nominees in the proportion specified in the nomination.

Explanation.—(1) When a nominee is a dependent of the subscriber as defined in clause (*c*) of section 2 of the Provident Funds Act, 1925, the amount vests in such nominee under sub-section (2) of section 3 of that Act.

(2) When the subscriber leaves no family and no nomination made by him in accordance with the provisions of rule 5 subsists, or if such nomination relates only to part of the amount standing to his credit in the fund, the relevant provisions of clause (*b*) and of sub-clause (ii) of clause (*c*) of sub-section (1) of section 4 of the Provident Funds Act, 1925, are applicable

to the whole amount or the part thereof to which the nomination does not relate.

25. (1) When the amount standing to the credit of a subscriber in the fund or the balance thereof after any deduction under rules 22 and 23 becomes payable, it shall be the duty of the chairman after satisfying himself, when no such deduction has been directed under those rules, that no deduction is to be made, to make payment as provided in section 4 of the Provident Funds Act, 1925.

(2) If the person to whom, under these rules, any amount or policy is to be paid, assigned, reassigned or delivered is a lunatic for whose estate a manager has been appointed in this behalf under the Indian Lunacy Act, 1912, the payment or reassignment or delivery will be made to such manager, and not to the lunatic.

(3) Any person who desires to claim payment under this rule shall send a written application in that behalf to the chairman.

(4) All payments accruing on the closing of the accounts of a subscriber shall be made to him or to his nominee on a voucher in Form 8 appended to these rules.

Miscellaneous rules regarding the form in which moneys in the fund may be held

26. The securities held on behalf of the provident fund shall be valued for the purposes of the accounts of that fund at their face-value. When, on the closure of an account, securities have actually to be sold for meeting the liabilities of the fund and when the price fetched at the sale is less than their face-value the difference shall be paid at once by the municipal council from its general funds to the credit of the provident fund.

Explanation.—Where, owing to the depreciation of 3 per cent and 3½ per cent Government securities, they have been converted into securites bearing interest at from 4 to 5½ per cent but for smaller face-value, the difference between the latter and the face-value of the original securities shall be made good at once from the general funds of the municipal council and invested in the same manner as assets of the provident fund.

27. (*a*) All interest earned on the securities in a year over and above what is payable to the subscribers shall, together with the contribution forfeited under rule 22, discounts on investments, if any, and other miscellaneous receipts, be credited to the head 'Miscellaneous'.

(*b*) If in a particular year, the interest earned on securities is less than the amount payable to subscribers, the difference together with premia on investments, if any, shall be debited to this head.

(*c*) All charges incurred during the year on establishments shall be debited to this head.

(*d*) The balance available under this head shall lapse to the municipal council after reserving a sum equal to the probable amount of the debits referred to in clause (*c*) for the next three years.

(*e*) In case the difference referred to in clause (*b*) above is not covered by the balance under this head, the excess shall be adjusted to the provident fund from the general funds of the municipal council.

Accounts books regarding the fund.

28. As soon as possible after the close of each year or when his account is transferred to another local body under rule 21, every subscriber shall be furnished with a statement in Form 3 appended to these rules showing the amount at his credit inclusive of interest and contribution. Subscribers shall satisfy themselves as to the correctness of these statements, and errors in them shall be brought to the notice of the chairman within one month from the date of their receipt. Where there is no error, the statement shall be signed by the subscriber in token of his acceptance of the correctness of the account and returned to the chairman.

It shall be the duty of the inspecting staff of the Examiner of Local Fund Accounts to see during periodical inspections that these acknowledgments are received and are in order.

29. The chairman shall cause to be kept a provident fund ledger of subscribers, an abstract register and a cash book in Forms 5, 6 and 7 respectively appended to these rules for the transactions of the fund. The provident fund ledger and the abstract register shall be posted as regards receipts of subscriptions from the pay bills, or from the monthly statements and as regards advances from the paid vouchers concerned. At the end of the year interest and contribution shall be calculated on the account of each subscriber and the amounts posted in the respective columns against each subscriber. The totals shall then be made and the necessary entries made in the cash book. A transfer adjustment voucher shall, at the same time, be drawn up and passed by the chairman for credit of the total amount of contribution to the debt head 'Provident fund' by debit to the service head 'Contributions to the provident fund', and the adjustment included in the accounts of the year. In the case of subscribers' accounts closed during the course of the year, the same procedure shall be followed for the adjustment of the contribution as soon as the account is closed.

The cash book shall be opened every month with the closing balance of the previous month. The total amount of subscriptions realized shall be credited in one entry at the end of the month, but all other transactions shall be recorded as soon as they occur, care being taken to show the amounts in the proper columns. The cash book shall be balanced every month and the total net balance verified with that shown in the plus and minus memorandum against the head 'Provident fund'. At the end of the year, if there is any surplus under the head 'Miscellaneous' to be transferred to the credit of the municipal council under rule 27, an adjustment voucher shall be drawn up and passed by the chairman debiting the head 'Provident fund' by credit to 'Miscellaneous—Surpluses transferred from

provident fund ". In the cash book it shall be shown as a charge under 'Miscellaneous'. When the cash book has been closed the closing balance under the heads 'Subscriptions and contributions' shall be verified with corresponding totals in the abstract register, while that shewn under investments shall be verified with the Trust accounts published by the Accountant-General in the *Fort St. George Gazette* or by communication with that officer in the case of investments made through him, with the certificates obtained under sub-rule (1) of rule 12 in the case of investments made through the Accountant-General, Posts and Telegraphs, or with the actual certificates, etc., or acknowledgments thereof in the cases of other investments.

If any differences are noticed when effecting the reconciliations above referred to steps shall be taken at once to find out the cause thereof and the necessary adjustments shall be promptly made.

The provident fund ledger, abstract register, cash book and other records of the fund shall be examined monthly by the chairman and shall be reviewed every year by the Local Fund Inspecting staff of the Examiner of Local Fund Accounts.

NOTE.—The nominations of the subscribers shall be pasted on their respective accounts in the ledgers and a number similar to the Account No shall be given to each nomination.

No. 2245.—

In exercise of the powers conferred by clause (*g*) of sub-section (1) of section 71 and clause (*a*) of sub-section (2) of section 199 of the Madras Local Boards Act, 1920 (Madras Act XIV of 1920), the Governor acting with Ministers is hereby pleased to make the following rules for the working of the provident fund maintained by district boards.

RULES FOR THE WORKING OF THE PROVIDENT FUND MAINTAINED BY DISTRICT BOARDS.

Short title and definitions.

1. (1) These rules may be called the Local Boards Provident Fund Rules.

(2) They shall apply to all provident funds established and maintained by district boards.

(3) They shall come into force on the first day of April 1932.

NOTE.—In exercise of the powers conferred by section 6 of the Provident Funds Act, 1897 (IX of 1897), the Governor-General in Council has been pleased to extend the provisions of the said Act to all provident funds established by local bodies and consequently the Provident Funds Act, 1925 (XIX of 1925) applies to all such funds.

2. In these rules unless there is anything repugnant in the subject or context—

(i) 'Account officer' means the Examiner of Local Fund Accounts;

(ii) 'Emoluments' means pay, leave salary, or subsistence grant, as defined in the Fundamental Rules of Government or in the regulations, if any, framed by the district board whichever may be applicable;

(iii) 'Family' means the wife or wives and children of a subscriber and the widow or widows and children of a deceased son of the subscriber; an adopted child shall be considered to be a child when the Account officer is satisfied that, under the personal law of the subscriber, adoption is legally recognized as conferring the status of a natural child, but in this case only;

(iv) 'Fund' means the provident fund established and maintained by a district board;

(v) 'Head of the office' means the president of the local board; and

(vi) 'Leave' means any variety of leave recognized by the Fundamental Rules, the Civil Service Regulations or the regulations framed under section 71 of the Madras Local Boards Act, 1920, whichever may be applicable to the subscriber.

Constitution and management of the fund.

3. (1) Every district board shall establish and maintain a provident fund for the benefit of its officers and servants as well as of the officers and servants of every taluk board and panchayat within its jurisdiction.

(2) The fund shall be administered by the district board and shall be maintained in India in rupees.

4. Subscriptions to the fund shall be compulsory on such of the permanent officers and servants of the local boards as are in superior service as defined in the Civil Service Regulations with the following exceptions:—

(*a*) employees for whom the local boards are paying pensionary contribution, and

(5) employees entitled to pension from Government or from the local boards under the orders of Government.

But an such officer or servant shall be qualified to contribute to the provident fund before he attains the age of twenty.

Explanation.—(1) Subscribers to the provident fund who are transferred temporarily to non-qualifying service may continue to subscribe during the temporary absence, provided they retain a lien on their permanent posts.

(2) Conservancy overseers and mistris, as well as Public Works mistris, shall be considered as belonging purely to the class of temporary servants and as not entitled to subscribe to the provident fund.

(3) Servants of the local boards may subscribe to the provident fund while on probation if they wish and if the local board concerned is willing to permit them to do so; similarly servants holding officiating or *sub. pro tem* appointments may subscribe to the provident fund.

(4) The transfer of permanent servants to temporary duties will not render their service non-qualifying for the purpose of the rule.

(5) Except in the case of persons appointed on probation for a definite period, arrear subscription shall not, except with the sanction of the Local Government, be collected for a period exceeding one year.

Nomination.

5. (1) The president, district board, shall, as soon as may be, require every subscriber to make a nomination conferring the right to receive the amount that may stand to his credit in the fund in the event of his death before quitting the service.

(2) A subscriber who at the time of joining the fund has a family shall send to the president, district board, a nomination in the form set forth in Form I appended to these rules in favour of one or more members of his family.

(3) A subscriber who has no family may similarly nominate a person or persons in Form 2 appended to these rules:

Provided that a nomination made under this sub-rule shall be deemed to have been duly made in accordance with these rules only so long as the subscriber has no family.

(4) If a subscriber at any time acquires a family he shall send to the president, district board, a nomination as provided in sub-rule (2) and, if he has under sub-rule (3) nominated any person other than a member of his family, he shall formally cancel the previous nomination.

(5) A subscriber may in his nomination distribute the amount that may stand to his credit in the fund amongst his nominees at his own discretion.

(6) A nomination may be cancelled by a subscriber and replaced by any nomination which is permitted to be made under this rule.

(7) When a nomination purports to leave any amount otherwise than to a member or members of the subscriber's family, the president, district board, shall call upon the subscriber to state whether he has a family and, if it is found that he has one, the nomination shall not be accepted. A nomination becomes operative only on its being accepted by the president, district board.

Explanation.—The provisions of the above rule shall apply *mutatis mutandis* to women subscribers also.

Subscribers' accounts and realization of subscriptions.

6. The provident fund shall be formed out of and maintained by (1) subscriptions from subscribers, (2) contributions from the district board, and (3) interest derived from investments or paid from the general funds of the district board.

7. (1) Every subscriber shall subscribe monthly to the fund when on duty or may, at his option, subscribe during leave.

(2) The amount of subscription shall be fixed by the subscriber himself subject to the following conditions:—

(*a*) it shall be expressed in whole rupees.

(*b*) (i) it may be any sum so expressed not less than 6¼ per cent of emoluments (i.e., one anna in the rupee) and not more than 25 per cent (i.e., two and a half annas in the rupee).

(ii) Emoluments for the purposes of this rule shall be calculated at the rate payable in respect of the 31st March of the preceding year:

Provided that in the case of a new subscriber, the rate of pay for the first month shall until the commencement of the next year be taken as emoluments for the purpose of this rule:

Provided also that, if the subscriber is on leave or under suspension on the 31st March of the preceding year his emoluments shall be calculated at the rate payable in respect of the first day after his return to duty:

Provided also that if the subscriber is on temporary duty or on temporary non-qualifying service on the 31st March of the preceding year, his emoluments shall be calculated at the rate payable in respect of the day preceding the day of his entering that temporary duty or temporary non-qualifying service:

Provided also that where the subscription is at the rate of 6¼ per cent of the emoluments of the subscriber, fractions of a rupee shall be rounded to the next higher rupee:

Provided also that in the case of schoolmasters and other officers and servants undergoing training, emoluments for purposes of this rule shall be those drawn by them immediately before their admission into the training institution.

(3) The subscriber shall intimate the fixation of the amount of his monthly subscription in each year in the following manner:—

(a) if he is on duty on the 31st March of the preceding year, by the deduction which he makes in this behalf from his pay bill for that month;

(b) if he is on leave or under suspension on the 31st March of the preceding year by the deduction which he makes in this behalf from his first pay bill after his return to duty.

(4) If the amount of subscription payable contains a fraction of a rupee, it shall be rounded to the nearest whole rupee (eight annas counting as the next higher rupee).

(5) The amount of subscription so fixed shall remain unchanged throughout the year.

8. Subscriptions due shall be deducted monthly from the establishment pay bills and the deductions shall be adjusted to the credit of the provident fund accounts. Officers other than the president, district board, who issue cheques for disbursement of pay to subscribers shall submit to the president, district board, monthly a statement showing the name of each subscriber, his provident fund account number, the salary disbursed to him and the subscription adjusted on his account to the provident fund. In the case of schoolmasters and others drawing no allowances while under training, the subscriptions due shall be remitted to the treasury by the officers themselves, who shall forward the chalans to the president, district board.

9. The amount so credited shall, after the close of each month, be posted in a provident fund ledger to be kept in the district board office from the establishment bills or from the statements or chalans referred to in rule 8.

10. (1) At the request in writing of any subscriber, and with the consent of the district board any portion or whole of his subscriptions with interest thereon may be invested by the district board in a policy of life assurance in such office and for such amount and on such terms as may be mutually agreed upon in writing between such subscriber and the district board.

(2) Policies so arranged shall be effected in favour of the president, district board or of such person as the district board may from time to time appoint for the purpose, and shall be held, and unless assigned over as provided for in clause (c), shall be realized, by the district board and the net proceeds on realization shall be credited to the account of such subscriber.

Provided always—

(a) that every such policy shall, so long as the subscriber is actually in employment under the local board belong to the district board and no interest therein shall during such period, vest in a subscriber on whose life it has been effected, or in his nominees, and neither he nor they shall have any right to interfere therewith;

(b) that the district board shall not be responsible for any loss or damage that may arise or result from the effecting of any policy under this rule; and

(c) on the retirement from service of a subscriber the policy effected on his life shall be assigned over to him.

11. At the beginning of each month the amount deducted from the pay bill as provident fund deductions shall be remitted to the post office savings bank or any other bank approved by the Local Government not later than the 4th of the same month to the credit of a conjoint account, which shall be opened for the purpose at the chief post office in the locality. Where any difficulty is experienced in doing this, the district board shall remit to the bank before that date, the probable total collections in respect of provident fund and the necessary adjustments shall be made during the month on receipt of credits for the actual collections. The contribution paid by the district board and other sums relating to the provident fund shall similarly be credited to the savings bank account.

12. (1) Out of the deposits in the postal savings bank account, any sum not required for the current expenses during the year may, as funds accumulate during the year, or at the beginning of the following year, be invested—

(a) in Government securities in the manner provided for investments in the Postal Savings Bank Rules, an investment certificate being obtained from the Accountant-General, Posts and Telegraphs, in support of such investments;

(b) in shares, debenture stock and debentures of Indian Railway companies the interest whereon shall have been guaranteed by the Secretary of State;

(c) in fixed deposits in Presidency banks or in such other banks as the Local Government may approve of from time to time; or

(d) in debentures issued by the municipal corporations of the Presidency towns or by the Port Trusts of Madras, Tuticorin, Calcutta, Bombay, Karachi or Rangoon or in such others as the Local Government may from time to time specially authorize.

(2) The investment of the provident fund balances as a loan to the district board shall not be permissible nor shall the balance be drawn upon for general purposes even temporarily.

Explanation.—Investments made prior to the introduction of these rules through the Accountant-General, Madras, shall continue to remain with him until they are required by the district board.

13. The account opened in the name of each subscriber shall show—

(1) the amount of his subscriptions with interest thereon;

(2) his share of the contribution given by the district board with interest thereon; and

(3) the amount of all advances given.

Contribution by local bodies.

14. (1) The contribution from the district board shall be 6¼ per cent of the emoluments on which a subscriber has contributed under rule 7 and shall be credited to his account annually, before the 31st March, or whenever an account is closed under rule 20. No contribution shall however be payable by the district board in respect of the emoluments drawn by him during the period, if any, of his temporary transfers to non-qualifying service.

(2) The amount of contribution payable shall be rounded to the nearest rupee in the manner provided in sub-rule (4) of rule 7.

Interest.

15. (1) The district board shall pay to the credit of the account of a subscriber interest at such rate as it may, from time to time, fix with the approval of the Examiner of Local Fund Accounts, on the amount at his credit in the fund.

The rate has been fixed by Government at 4 per cent in the first instance and shall hold good until it is altered by the district board under this sub-rule.

(2) Interest shall be credited with effect from 31st March of each year in the following manner:—

(i) on the amount at the credit of a subscriber on the 31st March of the preceding year, less any sums withdrawn during the current year—interest for 12 months;

(ii) on sums withdrawn during the current year—interest from the 1st April of the current year up to the last date of the month preceding the month of withdrawal;

(iii) on all sums credited to the subscriber's account after the 31st March of the preceding year—interest from the date of deposit up to the 31st March of the current year; and

(iv) if the total amount of interest contains a fraction of a rupee, it shall be rounded to the nearest whole rupee (eight annas counting as the next higher rupee).

(3) For the purposes of this rule the date of deposit shall, in the case of recoveries from emoluments, be deemed to be the first day of the month in which they are recovered; and in the case of amounts forwarded by the subscriber, shall be deemed to be the first day of the month of receipt, if they are received by the president, district board before the fifth day of the month, or if they are received on or after the fifth day of that month, the first day of the next succeeding month.

(4) In addition to any amount to be paid under rule 25 interest thereon up to the end of the month preceding that in which payment is made, or up to the end of the sixth month after the month in which such amount became payable whichever of these periods be less, shall be payable to the person to whom such amount is to be paid.

(5) Interest shall not be credited to the account of a Muhammadan subscriber if he informs the president, district board, that he does not wish to receive it; but if he subsequently asks for interest, it shall be credited with effect from the 1st April of the year in which he asks for it.

16. The amount standing to the credit of a subscriber in his provident fund account shall not in any way be capable of being assigned or charged and shall not be liable to attachment under any decree or order of any civil revenue or criminal court in respect of any debt or liability incurred by the subscriber and neither the Official Assignee nor any receiver appointed under the Provincial Insolvency Act, 1920, shall be entitled to, or have any claim on, such amount.

Advances.

17. (1) The president, district board, may grant temporary advances to a subscriber from the amount standing to his credit in his provident fund account subject to the following conditions:—

(*a*) the subscriber shall satisfy the president, district board as to the necessity for the advance;

(*b*) the advance shall not exceed three months' pay, and shall in no case exceed the amount of subscription and interest thereon standing to the credit of the subscriber in the fund at the time when the advance is granted.

Explanation.—In all these cases advances are limited to occasions when the pecuniary circumstances of a subscriber are such that the indulgence is absolutely necessary. The following may be recognised as legitimate occasions on which advances may be permitted:—

(*a*) to pay expenses incurred in connexion with the illness of the subscriber or a member of his family;

(*b*) to pay for the passage of any member of the subscriber's family coming from beyond the sea to join him or requiring to make a journey beyond the sea for some urgent cause;

(*c*) to pay expenses in connexion with the marriages, funerals or ceremonies which by the religion of the subscriber it is incumbent upon him to perform, and in connexion with which it is obligatory that expenditure should be incurred.

(2) In every case in which the president, district board, refuses to grant a temporary advance, he shall record in writing his reasons for such refusal.

18. An advance shall not, except with the special sanction of the district board, be granted until at least twelve months have elapsed after the final repayment of all previous advances together with interest thereon.

The total amount of the advance or advances outstanding at any time against a subscriber shall in no case exceed his emoluments for three months.

19. (1) An advance shall be recovered from the subscriber in such number of equal monthly instalments as the sanctioning authority may direct; but such number shall not be less than twelve, unless the subscriber so elects, or in any case more than twenty-four. A subscriber may at his option, make repayment in a smaller number of instalments than that specified. Each instalment shall be a number of whole rupees, the amount of the advance being raised or reduced, if necessary, to admit of a fixation of such instalments.

(2) Recovery shall be made in the manner provided in rule 8 for the realization of subscriptions and shall commence on the first occasion after the advance is made on which the subscriber draws pay for a full month. Recovery shall not be made while the subscriber is on leave or in receipt of subsistence grant, and may be postponed by the sanctioning authority during the recovery of an advance of pay granted to the subscriber.

(3) If more than one advance has been made to a subscriber each advance shall be treated separately for the purpose of recovery.

(4) (*a*) After the principal of the advance has been fully repaid, interest shall be paid thereon at the rate of one-fifth per cent of the principal for each month or broken portion of a month during the period between the drawal and complete repayment of the principal.

(*b*) Interest shall ordinarily be recovered in one instalment in the month after complete repayment of the principal; but, if the period referred to in clause (*a*) exceeds 20 months, interest may, if the subscriber so desires, be recovered in two equal monthly instalments. The method of recovery shall be that provided in sub-rule (2). Payments shall be rounded to the nearest whole rupee (eight annas counting as the next higher rupee).

(5) Recoveries made under this rule shall be credited, as they are made, to the account of the subscriber in the fund.

Closing of accounts and payments.

20. The account of each subscriber shall be closed—

(1) when he is dismissed from the service of the local board or removed or called upon to resign on account of misconduct or inefficiency, or resigns without notice or permission, or in the case of a servant appointed on probation, if he is not confirmed at the end of the probation period; or

(2) when he retires from service or when his services are dispensed with owing to a reduction of establishment, (or some cause other than his own misconduct) or when he becomes incapable of contributing to the fund by reason of his having been reduced to inferior service as defined in the Civil Service Regulations otherwise than for misconduct, or by reason of his permanent transfer from qualifying to non-qualifying service, or when he is permitted to resign under any circumstances other than those mentioned in clause (1) of this rule; or

(3) when he dies.

Explanation.—Subscribers who are reduced to inferior service as defined in the Civil Service Regulations, owing to their misconduct, shall be regarded for the purposes of this rule as having been dismissed from the posts carrying higher pay, and shall accordingly be dealt with under clause (1) of this rule.

21. When with the consent of a local board a subscriber takes service under another local body, the amount to his credit in the provident fund of the former body shall be transferred to the provident fund of the latter. In the case of a teacher (*a*) who with the consent of the local board which employs him takes service in a school under another local body or in a school to which the Government provident fund scheme for teachers in non-pensionable service applies, or (*b*) who quits service in a school to which the Government provident fund scheme applies and takes up service under a local board the amount at his credit shall be transferred to the fund applicable to the institution which he newly joins. The President, District Board, the District Educational Officer and the Inspectress (in the case of girls' schools) concerned shall make arrangements for the transfer of funds and accounts.

In cases where the transfer of service from one local board to another local body is temporary the amount to the subscriber's credit need not be so transferred but the local body in which the service is temporary shall pay to the district board a contribution equivalent to what the district board would pay if the subscriber had continued in its service.

22. When a subscriber's account is closed either on the dismissal of the subscriber on any ground or on his resignation within five years of the commencement of his employment, the district board may withhold all or any part of the amount standing to his credit in the contribution account and pay him only the balance together with the amount deposited by him as subscription and the interest thereon.

Provided that all payments under this rule shall be subject to such recoveries as may be ordered by the president, district board, under rule 23.

Explanation.—(1) When the account of a subscriber is closed the amount of his subscription with contribution and interest due up to the date on which his account is closed shall be paid to him by the president, district board, after careful scrutiny subject to audit in the usual course along with the monthly accounts.

(2) Subscriptions and contributions payable under this rule which are not claimed within six months shall be transferred to the head 'deposits' and dealt with under the

rules applicable to 'deposits' generally. In the case of a subscriber's death the six months shall be calculated from the date on which a registered notice is sent in Form 4 appended to these rules to the person or persons specified in the nomination referred to in rule 5.

(3) If the recoveries to be made from a subscriber under rule 23 have not been ascertained on the date of closure of his account under rule 20 and delay in payment is caused thereby, interest shall be allowed to the subscriber until he is given intimation that the recoveries to be made from him have been ascertained and that he may receive payment of the amount due to him. No interest shall be payable after the date on which intimation is sent to the subscriber.

23. Subject to the condition that no deductions shall be made in excess of the total amount of any contributions made by the district board and credited to the account of the subscriber and of any interest or increment which has accrued on such contributions the president, district board, shall, when the sum standing to the credit of any subscriber in the fund has become payable, deduct and pay to the local board the amount due under a liability incurred by the subscriber to the local board.

24. Subject to any deduction under rule 23, on the death of a subscriber before quitting the service—

(i) when the subscriber leaves a family—

(a) if a nomination made by a subscriber in accordance with the provisions of rule 5 in favour of a member or members of his family subsists, the amount standing to his credit in the fund or the part thereof to which the nomination relates, shall become payable to his nominee or nominees in the proportion specified in the nomination;

(b) if no such nomination in favour of a member or members of the family of the subscriber subsists or if such nomination relates only to a part of the amount standing to his credit in the fund, the whole amount or the part thereof to which the nomination does not relate, as the case may be, shall notwithstanding any nomination purporting to be in favour of any person or persons other than a member or members of his family, become payable to the members of his family in equal shares.

Provided that no share shall be payable to—

(1) sons who have attained legal majority;

(2) sons of a deceased son who have attained legal majority;

(3) married daughters whose husbands are alive;

(4) married daughters of a deceased son whose husbands are alive;

if there is any member of the family other than those specified in clauses (1) to (4):

Provided also that the widow or widows and the child or children of a deceased son shall receive between them in equal parts only the share which that son would have received if he had survived the subscriber.

Explanation.—Any sum payable under these rules to a member of the family of a subscriber vests in such member under sub-section (2) of section 3 of the Provident Funds Act, 1925.

(ii) When the subscriber leaves no family, if a nomination made by him in accordance with the provisions of rule 5 in favour of any person or persons subsists, the amount standing to his credit in the fund or the part thereof to which the nomination relates, shall become payable to his nominee or nominees in the proportion specified in the nomination.

Explanation.—(1) When a nominee is a dependent of the subscriber as defined in clause (c) of section 2 of the Provident Funds Act, 1925, the amount vests in such nominee under sub-section (2) of section 3 of that Act.

(2) When the subscriber leaves no family and no nomination made by him is accordance with the provisions of rule 5 subsists, or if such nomination relates only to part of the amount standing to his credit in the fund, the relevant provisions of clause (b) and of sub-clause (ii) of clause (c) of sub-section (1) of section 4 of the Provident Funds Act, 1925, are applicable to the whole amount or the part thereof to which the nomination does not relate.

25. (1) When the amount standing to the credit of a subscriber in the fund or the balance thereof after any deduction under rules 22 and 23 becomes payable, it shall be the duty of the president, district board, after satisfying himself, when no such deduction has been directed under those rules, that no deduction is to be made, to make payment as provided in section 4 of the Provident Funds Act, 1925.

(2) If the person to whom, under these rules, any amount or policy is to be paid, assigned, reassigned or delivered is a lunatic for whose estate a manager has been appointed in this behalf under the Indian Lunacy Act, 1912, the payment or reassignment or delivery will be made to such manager, and not to the lunatic.

(3) Any person who desires to claim payment under this rule shall send a written application in that behalf to the president, district board.

(4) All payments accruing on the closing of the accounts of a subscriber shall be made to him or to his nominee on a voucher in Form 8 appended to these rules.

Miscellaneous rules regarding the form in which moneys in the fund may be held.

26. The securities held on behalf of the provident fund shall be valued for the purposes of the accounts of that fund at their face value. When, on the closure of an account, securities have actually to be sold for meeting the liabilities of the fund and when the price fetched

at the sale is less than their face value the difference shall be paid at once by the district board from its general funds to the credit of the provident fund.

Explanation.—Where, owing to the depreciation of 3 per cent and 3½ per cent Government securities, they have been converted into securities bearing interest at from 4 to 5½ per cent but for smaller face value, the difference between the latter and the face value of the original securities shall be made good at once from the general funds of the district board and invested in the same manner as assets of the provident fund.

27. (*a*) All interest earned on the securities in a year over and above what is payable to the subscribers shall, together with the contribution forfeited under rule 22, discounts on investments, if any, and other miscellaneous receipts, be credited to the head 'Miscellaneous.'

(*b*) If in a particular year, the interest earned on securities is less than the amount payable to subscribers, the difference together with premia on investments, if any, shall be debited to this head.

(*c*) All charges incurred during the year on establishments shall be debited to this head.

(*d*) The balance available under this head shall lapse to the district board after reserving a sum equal to the probable amount of the debits referred to in clause (*c*) for the next three years.

(*e*) In case the difference referred to in clause (*b*) above is not covered by the balance under this head, the excess shall be adjusted to the provident fund from the general funds of the district board.

Accounts books regarding the fund.

28. As soon as possible after the close of each year or when his account is transferred to another local body under rule 21, every subscriber shall be furnished with a statement in Form 3 appended to these rules showing the amount at his credit inclusive of interest and contribution. Subscribers shall satisfy themselves as to the correctness of these statements, and errors in them shall be brought to the notice of the president, district board, within one month from the date of their receipt. Where there is no error, the statement shall be signed by the subscriber in token of his acceptance of the correctness of the account, and returned to the president, district board.

It shall be the duty of the inspecting staff of the Examiner of Local Fund Accounts to see during periodical inspections that these acknowledgments are received and are in order.

29. The president, district board, shall cause to be kept a provident fund ledger of subscribers, an abstract register and a cash book in Forms 5, 6 and 7 respectively appended to these rules for the transactions of the fund. The provident fund ledger and the abstract register shall be posted as regards receipts of subscriptions from the pay bills, or from the monthly statements and as regards advances from the paid vouchers concerned. At the end of the year interest and contribution shall be calculated on the account of each subscriber and the amounts posted in the respective columns against each subscriber. The totals shall then be made and the necessary entries made in the cash book. A transfer adjustment voucher shall, at the same time, be drawn up and passed by the president, district board, for credit of the total amount of contribution to the debit head 'Provident fund' by debit to the service head 'Contributions to the provident fund', and the adjustment included in the accounts of the year. In the case of subscribers' accounts closed during the course of the year, the same procedure shall be followed for the adjustment of the contribution as soon as the account is closed.

The cash book shall be opened every month with the closing balance of the previous month. The total amount of subscriptions realized shall be credited in one entry at the end of the month, but all other transactions shall be recorded as soon as they occur, care being taken to show the amounts in the proper columns. The cash book shall be balanced every month and the total net balance verified with that shown in the plus and minus memorandum against the head 'Provident fund' At the end of the year, if there is any surplus under the head 'Miscellaneous' to be transferred to the credit of the district board under rule 27, an adjustment voucher shall be drawn up and passed by the president, district board, debiting the head 'Provident fund' by credit to 'Miscellaneous—surpluses transferred from Provident fund' In the cash book it shall be shown as a charge under 'Miscellaneous.' When the cash book has been closed the closing balance under the heads 'Subscriptions and contributions' shall be verified with the corresponding totals in the abstract register, while that shown under investments shall be verified with the Trust accounts published by the Accountant-General in the *Fort St. George Gazette* or by communication with that officer in the case of investments made through him, with the certificates obtained under sub-rule (1) of rule 12 in the case of investments made through the Accountant-General, Posts and Telegraphs, or with the actual certificates, etc., or acknowledgments thereof in the cases of other investments.

If any differences are noticed when effecting the reconciliations above referred to steps shall be taken at once to find out the cause thereof and the necessary adjustments shall be promptly made.

The provident fund ledger, abstract register, cash book and other records of the fund shall be examined monthly by the president, district board, and shall be reviewed every year by the Local Fund Inspecting staff of the Examiner of Local Fund Accounts.

NOTE.—The nominations of the subscribers shall be pasted on their respective accounts in the ledgers and a number similar to the Account No shall be given to each nomination.

NOTIFICATION.

INSTRUCTIONS TO CANDIDATES APPEARING FOR THE EXAMINATIONS TO BE HELD IN MARCH-APRIL 1932.

Candidates for University Examinations are required to observe the following instructions very carefully :—

1. Silence should be maintained in the examination room.

2. Candidates should take their places in the examination hall at least five minutes before the time fixed for distributing the papers. Candidates presenting themselves more than half an hour after the appointed time will not be admitted to the examination hall. Candidates who are undoubtedly suffering from infectious diseases of any kind will not be admitted.

Candidates should bring with them to the examination hall each day of the examination their hall tickets for inspection by the Chief Superintendent.

3. Candidates are prohibited from writing upon their hall tickets or question papers. Candidates are also prohibited from writing their names on any part of their answer books, but their register numbers should be written very distinctly on the outer cover of each answer book. Failure to write their register numbers may involve the rejection of answer papers.

4. Candidates are not allowed to exceed the time assigned to a paper.

5. No candidate will be allowed to leave the examination room till the expiry of at least half an hour after a question paper has been given out; and no candidate who leaves the room during the period allotted for a paper will be allowed to return within that period.

6. *Candidates are forbidden to ask questions of any kind during the examination. They are further forbidden to communicate with the examiners; should they do so their answers will not be valued and their conduct will be reported to the Syndicate for disciplinary action.*

7. Candidates are not allowed the use of books of any kind (except as provided in rule 8). They are also prohibited from introducing into the examination room any book or portion of a book, slate, blotting pad, card board, manuscript, or paper of any description and from making use of any of those whether introduced into the room by themselves or by any one else; from communicating

with or copying from each other, and from communicating with any person outside the examination room. Any candidate detected in the violation of these rules will be summarily sent out of the room forthwith, and his conduct will be reported to the Registrar. Such a candidate stands the risk of having all his answer papers for the examination for which he has appeared rejected by the Syndicate and of being debarred from sitting for the University examinations for such period as the Syndicate may decide. The use of stencils at University examinations is not permitted except to students answering papers in Mathematics. The use of mathematical instruments whilst answering papers in Mathematics and in the Physical Sciences will be allowed. Such instruments will not be supplied by the University.

8. Clarke's Mathematical and Physical Tables will be supplied to candidates in Mathematics, Physics, Chemistry and Geography of the Intermediate and B.A. and B.Sc. Degree examinations.

Botany (Main) should also submit their records of field work. The candidates should get back the laboratory note-books at the close of the examination.

10. Candidates are required to provide themselves with their own pens. Candidates may bring into the examination hall their own ink bottles. They must, however, use only black ink while answering their question papers.

11. Particular attention is requested to the instructions, regarding rough working and loose sheets of paper printed on the answer books. All rough working must be shown on the left hand page of the answer books themselves. No separate books for rough working will be supplied to candidates. Papers must not be detached from the answer books of candidates. If the ordinary answer books are found insufficient, additional books will be allowed and these should be securely fastened to the answer books.

12. When candidates have finished writing their answers, and wish to give up their answer books, or at the end of the period prescribed for each particular part of the examination, each should stand up in his place and remain standing until one of the superintendents has gone up to him and has received his answer book from him.

13. Candidates sitting for the examinations at the different centres should apply to the Chief Superintendeandent of the respective centre for their hall tickets.

14. *No college student will be allowed to select a centre for his examination other than that in which the college he studies is situated, except for satisfactory reasons and on the recommendation of the Principal of his college.*

15. *A candidate who undergoes his course of study in an affiliated college but appears for the examination a second or a subsequent time, having failed previously, should also select the same centre in which the college he studied is situated, except under extraordinary circumstances.*

DEPARTMENT OF AGRICULTURE.

CASTOR CROP OF 1931.

(On an average of the five years ending 1929-30, the area under castor in the Madras Presidency has represented 22·7 per cent of the total area under castor in India.)

The area under castor in the Madras Presidency is estimated at 324,300 acres as compared with 288,000 acres, estimated on the same date last year or an increase of 13 per cent. Last year's estimate was about 1·7 per cent more than the actually cultivated area of 283,238 acres.

2. The increase is general outside Vizagapatam, East Godavari, Coimbatore, and the South (Tanjore excepted). In the Deccan, the area rose by about 22 per cent from 123,700 acres in 1930-31 to 150,500 acres.

3. The yield is expected to be normal against 98 per cent in the previous year according to the season and crop report. On this basis, the yield is estimated at 32,400 tons as against 30,100 tons estimated on the corresponding date of last year, and 28,020 tons estimated in the season and crop report of last year.

4. The wholesale price for castor-seed ranges generally from 18 to 21 lb. per rupee. It is comparatively dear in South Arcot and Tinnevelly where it is sold at 14 and 15 lb. respectively and is cheap in Salem where it is sold at 23 lb. per rupee. As compared with the prices reported in December 1930, the price is stationary in Kurnool and North Arcot, has slightly risen in Cuddapah and Madura, and fallen in the other districts.

5. Figures by districts are given below :—

SALE OF RIGHT OF FISHING.

Notice is hereby given that the right of fishing in the sources described in the annexed schedule for a period of one year from 1st January 1932 will be sold in public auction by the Assistant Engineers, Public Works Department, Sangam and Nellore subdivisions, at the places and on the dates noted in the annexed schedule between 2 and 5 p.m. subject to the conditions hereinafter set forth

Conditions of Sale.

1. Any person intending to bid must deposit a sum of Rs 10 with the selling officer on or before the date of sale. No person will be admitted to the auction room unless he has made the deposit. No one will be allowed to bid for another person unless he holds a power-of-attorney from him. The sale will ordinarily be knocked down to the highest bidder but the right is reserved to the officer conducting the sales to reject any bid without assigning any reasons therefor. The deposit made by unsuccessful bidders will be returned to them at the close of the sale. The sale will not be considered as completed unless it is confirmed by the Executive Engineer, Nellore division, who reserves the right to refuse to confirm the sale without assigning any reasons therefor. The successful bidder will not be permitted to do any act under the lease until the sale is confirmed by the abovementioned officer and until conditions 2, 3 and 4 below are fulfilled.

2. Immediately after a bid is accepted by the officer conducting the sale the successful bidder shall deposit on the spot a sum equal to 25 per cent of the lease amount for one year if the lease is for a period of one year or more or 25 per cent of the total lease amount if the lease is for a period of less than one year In doing so he may deduct the initial deposit made by him under condition 1.

3. The successful bidder shall, within seven days of the date of receipt of the order of confirmation by the Executive Engineer, Nellore division, make a deposit of the remaining 75 per cent of the lease amount for one year if the lease is for one year or more or of the entire balance of the total lease amount if the lease is for a period of less than one year and execute an agreement in the prescribed form and get it duly registered at his own expense.

4. The successful bidder shall within the same time deposit as security for the due fulfilment of the conditions of the lease a sum equal to 5 per cent of the total lease amount for the entire period of the lease. The sum will be refunded to him on the expiry of the said period if the conditions of the lease have been duly fulfilled.

5. In cases where the lease is for a period of more than one year the lease amount for the last year of the lease will be adjusted from the deposits made under conditions 2 and 3 above and the lease amount for each of the other years should be paid in equal monthly instalments before the 10th of each month and commencing from the month of February 1929.

6. In the event of failure on the part of the successful bidder to comply with all or any of the conditions 2, 3, 4 and 5 above, the sale will be cancelled, the right of fishing resold and the deposit already made will be forfeited. Resales under this condition will be at the risk of the defaulting bidder who will have no claim to the profit, if any, on account of such resale and in the event of loss will be required to make good the difference between the total amount payable for the whole period under the terms of the original sale and the total amount payable by the successful bidder at the resale. In the latter case the forfeited deposits will be deducted from the amount of loss arising from the resale and the remainder, if any, with interest at 12 per cent per annum will be recoverable from him. Should, however, the forfeited deposits exceed the amount of loss by resale the whole of such deposits will be credited to Government.

Note.—It is probable that an additional 15 tons might also be put up for sale.

2 The wood has been classified and intending purchasers are advised to inspect the wood before the sale, as no alteration in the classification can be allowed after sale. No complaints of any kind afterwards will be admitted.

3. For convenience of sale, the wood has been arranged in classified lots. Each class will be offered for sale separately in lots of 15, 10 or 5 tons or less, as may be convenient and bits will be per ton of each lot.

4 The sale will be subject to confirmation by the Conservator of Forests, V Circle, who does not bind himself to accept the highest or any bid.

5 Before being allowed to bid, each intending bidder must pay an earnest money deposit of Rs. 1,000. If paid in cash, immediately before the sale, this should preferably be in the form of Madras notes for Rs. 1,000 or Rs. 500. A receipted treasury chalan for the amount will also be accepted. In the case of intending bidders who have previously bought sandalwood from the Forest department a cheque for the amount will be accepted, but the discretion to accept such cheques rests entirely with the officer conducting the sale.

6 The earnest money deposit of unsuccessful bidders will be returned immediately after the sale is finished, and that of successful bidders will be credited towards the first instalment of the purchase price.

7. Each purchaser shall, immediately a lot is knocked down to him, sign his name at the foot of the sale list, in the column provided for the purpose, and such signature will be held as an admission, on his part, of his having purchased that particular lot and accepted the conditions of the sale notice. No person will be allowed to deposit and bid jointly at the sale.

8 Immediately after the sale is finished, each purchaser, if his offer for any particular lot has been accepted by the Conservator of Forests, will be furnished with a memorandum showing the total amount due by him. He shall remit 25 per cent of this amount into the Imperial Bank of India at Coimbatore or Madras, within eight days of confirmation of the sale and shall similarly remit the balance on or before the 25th March 1932, failing which the money already remitted shall lapse to Government, and the District Forest Officer will be at liberty to resell the wood in question at the risk of the original purchaser, who shall be liable for any loss, but shall not participate in any profit which may arise by the resale.

9. The purchaser, having paid the full value, must take delivery of the wood and remove the same on or before the 30th April 1932.

Refund of the value of defect on account of dryage will be paid in due course. If he or his accredited agent does not attend on or before the date for the weighment of the sandalwood purchased, no further weighment will be made, and the weight recorded in the depot books (which is the weight recorded immediately after final chipping and that notified at the time of sale) must be accepted by him.

If however on reweighment an excess should be found over that recorded at the time of sale, the excess value at the purchase rate should be paid for by the purchaser before removal is permitted.

10. On each purchaser's presenting to the officer in charge of the sandalwood depot, Satyamangalam (Range Officer, Satyamangalam), chalans as proof that the whole of his purchase has been paid for, it will be weighed in his or his agent's presence and the quantity handed over to him.

The accepted bidders, when deputing their agents to take delivery, must furnish each agent with a power-of-attorney duly stamped and bearing the signature of the person so deputed. A copy of the power-of-attorney must also be sent to the District Forest Officer by post, with four specimen signatures of the agent. Failing this, delivery may be refused pending verification, in which case the delay will count against the accepted bidder.

No further cleaning or classification of sandalwood will be undertaken by the Forest Department nor will purchasers be allowed to clean any wood previous to weighment. The classification, cleaning and weighment as determined by the Forest Department, must be accepted.

11. After the wood has once been weighed and handed over, if the purchaser fails to remove all the wood within the weeks allowed in clause 9 demurrage will be charged at the rate of Rs. 2 per ton per mensem from the last date fixed for delivery until the wood is finally removed.

12 No sandalwood shall be removed from the depot till a licence to remove it signed by the

officer of the Forest Department who delivered the wood, shall have been obtained and till every piece of sandalwood that can be stamped bears the Ranger's "Sale hammer" mark.

13. The officer conducting the sale shall be at liberty to stop the sale at any time without giving any reason to the intending purchasers.

14. The wood purchased by each purchaser shall be in the depot at the purchaser's risk from the date of sale until it is removed

15. The contractor shall bear the cost of taking delivery of sandalwood.

16. Each intending bidder unless specially exempted by the Conservator of Forests, V Circle, Coimbatore, on an application made in writing at least fifteen days before the date of sale, must produce a solvency certificate signed by a responsible Revenue officer of the district in which he resides; and the District Forest Officer holding the sale may refuse to allow any bidder not so exempted to bid beyond the amount guaranteed in such certificates

17. Any supplementary conditions that may be found necessary will be added and read out at the time of auction.

18. The officer conducting the sale shall not be bound to sell the whole of the quantity advertised.

19. Further particulars can be had on application to the District Forest Officer, North Coimbatore Division, Coimbatore.

Report of the Select Committee on the Madras Co-operative Societies Bill (Bill No. 4 of 1931) 281

SUPPLEMENT.
Bill No. 29 of 1931.—Madras Children (Amendment)—Tamil and Kannada.

Report of the Select Committee on the Madras Co-operative Societies Bill to be presented to the Legislative Council of the Governor of Madras.

Under S.O. 41 of the Standing Orders of the Madras Legislative Council, the following report of the Select Committee on the Madras Co-operative Societies Bill together with the Bill as amended by the Select Committee is published:—

BILL No. 4 OF 1931.

To

THE HONOURABLE THE LEGISLATIVE COUNCIL OF THE GOVERNOR OF MADRAS.

WE, the members of the Select Committee appointed on the 27th March 1931 to consider and report on the Bill to consolidate and amend the law relating to Co-operative Societies in the Presidency of Madras (viz., Bill No. 4 of 1931) have the honour to make the following report.

1. The Bill was published in the *Fort St. George Gazette* in English on the 17th March 1931 and in Tamil on the 7th July 1931.

2. We met on the 4th, 5th, 6th and 7th November 1931 and on the 10th December 1931 for the purpose of considering the Bill, and on the 10th December 1931, we passed our report.

3. We have subjected the provisions of the Bill to a detailed and careful scrutiny and have made numerous amendments therein. In doing so, we have derived much assistance from the report of the Committee of the Nineteenth Madras Provincial Co-operative Conference and the Annexure thereto containing amendments and additions recommended by that Committee—

(*a*) Keeping in view the principle that, while the co-operative movement should not suffer from the absence of official guidance and supervision, it should not be prevented by too many restrictions from attaining its full development, we have deleted several provisions of the Bill which had either enlarged the powers of the Registrar or had provided for some kind of official control over registered societies

(*b*) We have recognized that the financing banks have an interest in the efficient administration of the co-operative societies financed by them and have given them power of inspection and enquiry into the financial conditions of their constituent societies

(*c*) We have introduced several provisions with a view to check dishonest administration of the funds of co-operative societies or arbitrary action on the part of the officers of the department. For instance, we have provided for appeals against various orders of the Registrar, a reference to the civil court in respect of orders as to surcharge and introduced numerous other provisions to encourage the growth of the movement and make it popular. At the same time we have thought it necessary to introduce a provision empowering the Registrar to supersede a committee of a society in special cases and also another clause providing that no act of a co-operative society or a committee or an officer thereof shall be deemed to be invalid by reason only of a defect in its organization or formation or in the appointment or election of an officer.

4. These are the general principles which we have followed in making our amendments. The more important of the amendments are referred to below, seriatim :—

(i) *Clause* 2.—We have introduced a definition of 'Financing Banks' as we have entrusted them with certain powers of inspection and enquiry into the working of the societies which are their constituents

(ii) *Clause* 4.—In clause 4, we have defined the precise nature of the liability, in unlimited liability societies and of the mode of enforcement of such liability, by enacting as in the Bombay Act that the members of unlimited liability societies shall on liquidation be jointly and severally liable for and in respect of all obligations of such societies.

(iii) *Clauses* 10 *and* 12.—We consider it necessary to provide for an appeal against the order of the Registrar refusing to register a society or refusing to register an amendment of the by-laws of a society. We have accordingly provided for an appeal to the Local Government against such orders.

(iv) *Clause* 13.—This clause has been redrafted so as to define more clearly the various stages in the procedure of the division of a society into two or more societies or the amalgamation of two or more societies into one and to safeguard more effectively the rights of creditors and non-consenting members of the societies.

(v) *Clause* 15.—We have made it obligatory upon the committee of a society to call a general meeting of the society on a requisition in writing not only from the Registrar or a prescribed number or proportion of the members of a society, but from a financing bank.

(vi) *Clause* 16.—We have provided that the principle of 'one member one vote' should apply not only to societies to be constituted in the future but to existing societies also.

(vii) *Clause* 17.—The creation of charge on shares will lead to difficulties and so the words '' or charge' in clause 17 have been omitted. The clause has been so worded as to make it clear that it applies only to outright transfers.

(viii) *Clause* 21.—This clause refers to the priority of the claim of the society upon various kinds of property

but is clumsily worded. We have preferred to delete the clause altogether and to retain the existing section of the Act. In view of the decision in I.L.R., 41 Madras, page 691, under which even subsequent claims of the Government under the Land Improvements Loans Act (Act XIX of 1883) have priority over previous loans, it seems necessary to legislate in express terms that subsequent loans of the Government shall be postponed to prior claims of co-operative societies. We have accordingly added sub-clause (2) as a new sub-clause to the existing section of the Act.

(ix) *Clause* 28.—This clause gave a power of distraint and sale of defaulters' movable properties to a registered society in respect of any loan or instalments thereof due to it. We have removed this provision as unnecessary and as likely to lead to abuse. In its stead we have introduced a provision enabling the recovery of an amount due to a co-operative society on a decree or award as if it were an arrear of land revenue.

(x) *Clause* 30.—This clause gives power to the Governor-General in Council to remit income-tax in respect of the profits of the societies or of the dividends or other payments received by the members of the societies on account of profits. We consider that the benefit of this exemption should be extended to the interest earned by a society on the securities held by it for the purpose of maintaining fluid resources or on the investments of reserve funds But as an amendment to that effect would require the sanction of the Governor-General, we content ourselves with recommending that the Government do take steps to introduce this amendment as early as possible.

(xi) *Clause* 32.—We have deleted sub-clause (1) as unnecessary. We have provided that it should be open to a registered society to make a loan to a depositor on the security of his deposits in addition to making loans to members.

In sub-clause (3) we have made an amendment enabling a registered society to lend money on the security of agricultural produce. We consider that such an amendment would not only facilitate the grant of loans to agriculturists but will also enable the latter to realize better profits for their produce and thus improve their economic condition.

(xii) *Clause* 34.—We have deleted this clause as unnecessary.

(xiii) *Clause* 36.—We see no objection to remuneration being paid for clerical work or work as Secretary done by a member of a society even without any reference to the existence of profits, and have re-drafted the clause accordingly.

(xiv) *Clause* 37.—In clause 37 we have omitted the words "with the sanction of the Registrar", as we consider them unnecessary.

(xv) After clause 40 we have introduced a new clause giving powers to a financing bank to inspect the books of a registered society and have made consequential changes in clause 41.

(xvi) *Clause* 42.—We consider that the recovery of costs awarded under section 41 as if they were a fine imposed by a Magistrate is unsuitable and have provided that the procedure of recovery as an arrear of land revenue, which has been adopted as the proper procedure for the recovery of amounts due to a registered society on decrees and awards, should be adopted in this case also.

(xvii) We have introduced a new provision after clause 42 enabling the Registrar to supersede a committee and to place the management of a society in the hands of a person or persons appointed by him for the purpose of safeguarding and recovering the assets of the society. Such a provision was recommended by the Committee of the Provincial Co-operative Conference referred to in paragraph 3. We consider that such a provision is necessary.

(xviii) *Clause* 46.—We have provided for an appeal to the Registrar against an order of a Liquidator by any person aggrieved by such an order.

(xix) We recommend that in framing rules under the Act the Government should frame a rule in accordance with section 60 of the Bombay Act as follows:—

"No Liquidator shall determine the contribution, debt or the dues to be recovered from a past member or from the representative of a deceased member unless an opportunity has been given to such past member or the representative to answer such claims."

(xx) *Clause* 48.—The clause as originally worded appeared to us to go beyond the necessities of the situation. We have made the clause applicable only to cases

of misappropriation or fraudulent retainer or breach of trust. We also consider that, to prevent injustice in the exercise of the power of surcharge, a remedy should be provided to the aggrieved party to contest the order of surcharge. Such a remedy we have provided by enabling the aggrieved party to apply to a Civil Court within three months of the date of receipt of the order, to set aside the order.

(xxi) *Clause* 49.—When powers of attachment are given there should be provision for the investigation of objections to the attachment and claims to the attached property. But we have thought it best to provide for such an investigation by rules made under clause 56.

(xxii) *Clause* 50.—We have extended the scope of the clause to disputes between one society and another but restricted the same by excluding disputes regarding disciplinary action taken by a society or a committee thereof against paid servants of the society.

(xxiii) *Clause* 52.—We have limited the offence under this clause to disposals of property with a fraudulent intention.

(xxiv) *Clause* 56.—We have so amended this clause as to make it more comprehensive and also give co-ordinate powers of revision to the local Government.

(xxv) We have introduced a new clause to obviate disputes regarding the validity of proceedings on purely technical grounds.

5. We have made numerous other changes in the Bill but do not consider it necessary to refer to them in detail.

6. A copy of the Bill as amended by us is annexed.

7. We consider that the Bill should be republished.

MINUTE OF DISSENT.

I object to sub-clause (2) of clause 32, namely:—

"(2) Save with the sanction of the Registrar, a registered society shall not lend money on the security of movable property other than agricultural produce"

as amended in the Select Committee, should be deleted from the Bill. My reasons are as follows.

Making lending of money against movable property by co-operative urban banks subject to the sanction of the Registrar of Co-operative Societies is fraught with the danger of not lending money on movables, for the banks have got to apply to the Registrar for the sanction if at all they wish to undertake this branch of business. This involves loss of correspondence and delay with the result the intending borrower may resort to the money-lenders to satisfy his immediate want. It is therefore desirable that the choice of lending money on immovables should be left to the discretion of the societies concerned. It is further stated that the societies may not have sufficient facilities to keep the movables pledged in safe custody. But they can decide for themselves whether or not they have such facilities and the sanction of the Registrar therefore appears to be unnecessary. It is highly undesirable to impose on societies such a statutory restriction. On the other hand, I should think it safe to lend money on movable property also for it alone could be free from encumbrances.

The addition of the words "other than agricultural produce" does not help the ryot much. For he would be inclined to borrow money pledging the agricultural produce only when there is a fall in prices. But he may have to pay the profit that he may derive by an increase in prices at some future date towards interest on the money that he borrows from the society against the produce. Thus it will appear that the exception supplemented does not help the ryot. Generally ryots have to borrow money to purchase seeds, agricultural implements and to meet agricultural operations at a time when they do not have produce. It is only then that he is obliged to borrow money. The things that he can pledge to get money then would only be silver and gold. If he cannot get a loan in the society against his silver and gold he will have to run up to a money-lender at a great sacrifice, for he cannot go to the Imperial Bank of India as its branches are few and far between and not within the easy reach of the agriculturists in the villages. Not only this. It is a well-known

practice among the poorer class of ryots to sell their prospective produce at very low rates of prices even before they sow the seed as they are in need of money for agricultural operations, etc. It is only at this juncture that the societies should help them by giving them loans if they have any gold and silver to pledge It is thus evident that to help the really needy agriculturists, this clause should be totally omitted so that the societies may use their discretion as regards safe custody, etc , and help them.

Further, it is stated in the preamble to the original Bill that it is intended "for the promotion of thrift and self-help among agriculturists, artizans and persons of limited means". To really translate this intention into action, it is but proper that the societies should be allowed to give loans on industrial products also. If this clause remains unaltered, the only result will be that the Imperial Bank will be benefited as the competition of the co-operative society would be taken away by this arrangement. The nation-building departments of the country will not be benefited completely if the landed interests alone are to be safeguarded. The time and hour came to uplift the industrial pursuits also. If the Government thinks of undertaking this branch of work, the said clause should be deleted.

If the societies are not allowed the freedom to lend money against industrial products and silver and gold, the object of the Bill as expressed in the preamble will be frustrated I beg therefore to appeal to the hon. Members of the House to delete the aforesaid clause, so that the co-operative societies may promote thrift and self-help among the agricultural, industrial communities and persons of limited means for which they are mainly intended and I respectfully commend this to them for their serious consideration.
